

ECOSYSTEM RESTORATION CERTIFICATE COURSE

Module 1: Coasts and Marine Ecosystems

Session 3

Concerns and Challenges

Dear Participants,

Assignments are a part of the self-learning process of the course.

Questions (each question carries five marks)

1. List different types of coastal bio-shields. Discuss the role of bio-shields as a nature-based solution for coastal protection in extreme weather events. (Max 300 words)
2. In your view, how can one undertake restoration of mangroves along the east coast of India? (Max 300 words)
3. Write a note on status of fisheries in coastal waters in India. (Max 300 words)

Email the completed assignments to the course coordinator by **13th July, 2021**, with Subject Line 'Your Name - Assignment Week 2 - Coasts and Marine Ecosystem Restoration'.

Email the assignment to: sujeet.dongre@ceeindia.org , ceeacademy@ceeindia.org

For questions, you may call the following numbers: 94 22 063 917, 88 66 819 817
