

ECOSYSTEM RESTORATION CERTIFICATE COURSE

Module 2: Forest Ecosystems

Session 4

Conservation and restoration measures for Forest Ecosystems

Dear Participants,

Please find below the assignments for Module 2 Session 4. You are requested to submit the answers based on lecture.

Assignment: Answer following three questions. Answers should not be more than 300 words. Each question carries five marks

1. Discuss various approaches/methods followed in Myristica swamp restoration work undertaken by Prof. R Vasudeva.
2. What is a Mine closure plan? How effective in your view are the two examples of Goa and Jharkhand shared by Mr. Mahesh Patil.
3. Discuss the need of species recovery and how effective was the recovery of *Semecarpus kathlekan*?

Email the completed assignments to the course coordinator by **18th August, 2021**, with Subject Line 'Your Name – Module 2 Assignment 4 – Forests'.

Email the assignment to: rejini.s@ceeindia.org, ceeacademy@ceeindia.org
